

# EU Ecolabel Ambassadors

September 2020 – Furniture & Bed Mattresses

## NORHERN EUROPE Montana Furniture, Denmark

*"Acquiring the EU Ecolabel has been very important to us, and it's something we've worked towards for a long time. I'm delighted that Montana is one of the first furniture manufacturers in Europe to achieve it because I consider sustainability a key part of our responsibilities as a furniture manufacturer in Denmark."*

**Joakim Lassen, Montana Furniture's CEO**

## SOUTHERN EUROPE Mobilferro, Italy

*"School chairs used by children potentially transmit harmful hazardous substances. Mobilferro's furniture have restricted use of chemicals such as formaldehyde, solvents and flame retardants and act as a guarantee for safer products."*

**Marco Canazza, Mobilferro's Marketing and Contract Manager**

## EASTERN EUROPE InterierTech, Czech Republic

*"Acquiring the EU Ecolabel sends a strong message to our industry. It proves that caring for the environment and complying with controlled processes and demanding criteria such as the EU Ecolabel requirements is possible in our line of business."*

**Jan, Project Manager InterierTech**

## WESTERN EUROPE Elite, Switzerland (Austrian CB)

*"The EU Ecolabel certification is one way consumers can buy safer and reliable products. The EU Ecolabel ensures high-quality and long-lasting products with restricted use of harmful substances."*

**Francois Pugliese, Elite's owner**

*"This document has been prepared for the European Commission however it reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein."*
