

Declaration from the applicant, the manufacturer or the supplier of the absorbent hygiene product

This declaration is to be filled in by the applicant, the manufacturer or the supplier of the final absorbent hygiene product. The declaration shall be based on the best of the applicant/manufacturer's/supplier's knowledge at the time of declaring.

Applicant/manufacturer/supplier name _____

Applicant/manufacturer/supplier address _____

Name of the absorbent hygiene product(s): _____

Type of the absorbent hygiene product: _____

I declare that I will keep the competent body informed if any changes to our products or processes are made which influence the validity of this declaration

Criterion 4: Production of synthetic polymers and plastic materials (also applicable to biobased plastic materials)

Fill in one of the options:

OPTION 1/3

It is mandatory to submit supporting information from the supplier of the cited biobased plastic material(s) having systems for the implementation of:

- Water-saving;
- Integrated waste management;
- Optimization of energy efficiency and energy management.

Date:

July 2023

Version 1

DECLARATION FORM FOR THE BIOBASED PLASTIC MATERIALS
Commission Decision (EU) establishing the EU Ecolabel criteria for absorbent hygiene products and for reusable menstrual cups

I attach supporting information.

OPTION 2/3

It is mandatory to submit supporting information from the manufacturing facilities producing the cited biobased plastic material(s) used in the final product which are registered with EU Eco-Management and Audit Scheme (EMAS) and/or certified according to ISO 14001, ISO 50001, EN 16247 or an equivalent standard/scheme where:

the inclusion of water, waste and energy management plans for the production site(s) is documented in the company's EMAS environmental statement; or

the inclusion of water, waste and energy management plans for the production site(s) is sufficiently addressed by the ISO 14001, ISO 50001, EN 16247 or an equivalent standard/scheme

I attach supporting information.

OPTION 3/3

It is mandatory to submit supporting information from the sub-contractor for waste management having systems for the implementation of integrated waste management.

I attach supporting information.

I, the undersigned, hereby declare that all the documents provided to demonstrate the accomplishment with the criteria are true and correspond to reality.
